Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2025 of **Name of Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

Audit opinion: Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Basis of Qualification

Accounting Statement

I am unable to conclude whether or not the Accounting Statement properly presents the Council's receipts and payments and financial position:

- The Council did not provide a quantified explanation of variances between the current and prior year accounts
- The Council did not provide a properly completed bank reconciliation for the year

Annual Governance Statement

In my opinion, the Annual Governance Statement is not consistent with the Council's internal controls and governance arrangements for the year:

- Assertion 7: The Council did not comply with the requirements for approval of the accounts set out in the Accounts and Audit (Wales) Regulations 2014
- Assertion 3: Section 50 of the Democracy and Boundary Commission Cymru etc. Act 2013 requires the Council to publish its audited accounts online. Regulation 5 of the Accounts and Audit (Wales) Regulations 2014 requires the Council to publish the Annual Governance Statement alongside the accounts. Regulation 15 of the 2014 Regulations requires the Council to publish along with the accounts, any certificate, opinion, or report issued, given or made by the Auditor General.

The Council has not published the 2023-24 audit opinion.

Other matters and recommendations

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council.

General Power of Competence

The Council has provided a positive response to assertion 10 in the Annual Governance Statement. I have confirmed with the Council that the response provided was incorrect and that the Council does not meet the conditions required to exercise the General Power of Competence.

We recommend that before it provides positive responses to the assertion in the Annual Governance Statement, the Council carefully reviews the statement to ensure that its responses are accurate.

Training Plan

The Local Government and Elections (Wales) Act 2021, requires the Council to create and publish a plan for councillor and staff training. The Welsh Government provides statutory guidance on this, which states that the plan must be approved by the full council and include details on the type of training, participant numbers, timeframe, and cost.

The training plan provided for audit does not contain the basic information required above.

Information required for audit

Each year we send the Council an audit notice that sets out the information we need to complete the audit. Failure to provide this information may lead to a qualified audit opinion and potentially an increased audit fee.

We recommend that the Council reviews the annual audit notice to ensure that all required information is provided on a timely basis.

There are no further matters I wish to draw to the Council's attention.
